-

Professional Experience

Tech Lead (Frontend) • Bren (AI Startup) • 2023 – 2024

- Led the development of the company's AI-driven landing page, overseeing frontend architecture and mentoring a small team of frontend developers and a UX designer.
- Planned and executed a scalable frontend structure using Next.js and Tailwind CSS.
- Optimized performance, reducing TTFB by 30% and improving LCP by 25%.

Frontend Engineer • FYNT (Crypto RWA Startup) • 2022 – 2023

- Built and launched the company's website from scratch using the latest frontend technologies, including React and Next.js.
- Collaborated with backend teams to implement RESTful APIs, ensuring seamless data fetching and dynamic page generation.

Co-Founder & Frontend Developer • Web3 NFT Project • 2019 – 2022

- Co-founded and developed a Web3 NFT collection platform during the peak of crypto hype, leveraging Next.js and GraphQL.
- Designed and implemented smart contract interaction UI, leading to the successful minting of over 2,500 NFTs.

Web Design Professor • Local Tech School • 2016 – 2018

- Taught web design and frontend development to students of all ages, creating custom curricula focused on HTML, CSS, JavaScript, and responsive design.
- Mentored students on real-world projects, increasing job placement by 40%.

Freelancer (Web Design & Development) • 2013 – 2016

- Delivered custom web design and frontend development projects for clients across industries.
- Specialized in SEO optimization and responsive design.

Web Designer • Aversa (In-House Agency) • 2011 – 2013

- Designed and maintained the company's website, focusing on UX/UI improvements and performance optimization.
- Gained experience in OOP applied to JavaScript, accelerating development time by 15%.

Frontend & Web Designer • Yamí (E-commerce/Digital Agency) • 2010 – 2011

- Contributed to e-commerce platform development, handling frontend coding and UX design.
- Initiated component-based design practices, increasing site scalability.

Web Designer • One2UP (Digital Agency) • 2009 – 2010

- Designed and coded layouts for a wide range of websites, collaborating with backend teams for seamless integration.

Photo Editor & Designer • Retratto Photo Products • 2007 – 2008

- Created photo montages and edited images for physical printed products, marking the start of my design career.
-
